General Disclosures: Graystone Consulting is a business of Morgan Stanley Smith Barney LLC. ("Morgan Stanley"). This Report is provided solely for the use of the intended recipient and is for informational purposes only. It is being delivered as part of the services provided by your Consultant and does not supersede or replace the official account statement provided by your custodian ("Custodial Statement"), which remains the record of your account. Information contained in this Report may differ from your Custodial Statement due to differences in data sources, accounting methodologies, pricing sources, valuation practices, and/or reporting periods. Accordingly, you should rely on your Custodial Statement for official account information, including holdings, transactions, and valuations. Certain investments reflected in this Report, including private or alternative investments, may not have readily available market quotations and may be valued based on information provided by issuers, sponsors, or other third parties. Such valuations may be estimates, may be subject to revision, and may be updated less frequently than publicly traded securities. As a result, the values presented for these investments may differ materially from those reflected on your Custodial Statement or from values that may ultimately be realized. In addition, such investments may be subject to reporting lags, and the information presented may not reflect current market conditions

This information should not be used for tax preparation. Your Form 1099 supersedes this information and should be relied upon for tax reporting. Morgan Stanley and its affiliates do not provide tax or legal advice; clients should consult their own tax and legal advisers. Morgan Stanley Smith Barney LLC is a registered broker dealer, Member SIPC, and not a bank.

Conflict of Interests: As a diversified global financial services firm, Morgan Stanley engages in a broad spectrum of activities including financial advisory services, investment management activities, sponsoring and managing private investment funds, engaging in broker-dealer transactions and principal securities, commodities and foreign exchange transactions, research publication, and other activities. In the ordinary course of its business, Morgan Stanley therefore engages in activities where Morgan Stanley's interests may conflict with the interests of its clients, including the private investment funds it manages. Morgan Stanley can give no assurance that conflicts of interest will be resolved in favor of its clients or any such fund.

Asset Classification: We classify assets based on general characteristics such as: income generation, underlying capital structure, or exposure to certain market sectors. As many assets contain characteristics of more than one asset class, allocations may be under or over inclusive. These classifications do not constitute a recommendation and may differ from the classification of instruments for regulatory or tax purposes. In addition, the Other asset class contains securities that are not included in the various asset class classifications. This can include, but is not limited to, non-traditional investments such as some Equity Unit Trusts, Index Options and Structured Investments issued outside of Morgan Stanley. Additionally, investments for which we are unable to procure market data to properly classify them will appear in the Other category.

When Morgan Stanley , its affiliates and Morgan Stanley Financial Advisors and Consultants or Private Wealth Advisors (collectively, "Morgan Stanley") provide "investment advice" as defined under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"),and/or the Internal Revenue Code of 1986 (the "Code"), as applicable, regarding a retirement or welfare benefit plan account, an individual retirement account or a Coverdell education savings account (collectively, "Retirement Account"), Morgan Stanley is a "fiduciary" under ERISA and/or the Code. When Morgan Stanley provides investment education (including historical performance and asset allocation models), takes orders on an unsolicited basis or otherwise does not provide "investment advice", Morgan Stanley will not be considered a "fiduciary" under ERISA and/or the Code. For more information regarding Morgan Stanley's role with respect to a Retirement Account, please visit www.morganstanley.com/disclosures/dol. Tax laws are complex and subject to change.

Performance results are annualized for time periods greater than one year and include all cash and cash equivalents, realized and unrealized capital gains and losses, and dividends, interest and income. The investment results depicted herein represent historical performance. As a result of recent market activity, current performance may vary from the figures shown.

Benchmark indices and blends included in this material are for informational purposes only, are provided solely as a comparison tool and may not reflect the underlying composition and/or investment objective(s) associated with the account(s). Indices are unmanaged and not available for direct investment. Index returns do not take into account fees or other charges. Such fees and charges would reduce performance.

For index, indicator and survey definitions referenced in this report, please visit: www.morganstanley.com/wealth-investmentsolutions/wmir-definitions. The Custom Account Index is an investment benchmark based on your historical target allocations and/or manager selection that you may use to evaluate the performance of your account. The Custom Account index does take into consideration certain changes that may have occurred in your portfolio since the inception of your account, i.e., asset class and/or manager changes. However, in some circumstances, it may not be an appropriate benchmark for use with your specific account composition. For detailed report of the historical composition of this blend please contact your Financial Advisor.

Risks Associated With Investing: Investment return and principal will fluctuate so that an investor's shares when redeemed may be worth more or less than original cost. Please note, current performance may be higher or lower than the performance data shown. For up to date month-end performance information, please contact your Financial Advisor or visit the funds' company website. Investors should carefully consider the investment objectives, risks, charges and expenses of investment fund(s) before investing. The fund prospectus contains this and other information about the fund(s). To obtain a prospectus, contact your financial advisor. Please read the prospectus carefully before investing. Investing in the markets entails the risk of market volatility. Please visit: www.morganstanley.com/wealth-disclosures/institutional-performance-reporting-disclosure for more information on investing risks.

Other General Disclosures: Peer Groups refer to collections of investment strategies that share similar investment approaches. They are used for comparison purposes to evaluate a client's investment portfolio relative to comparable strategies across various quantitative metrics, such as performance and risk. Peer Group comparisons function as an additional form of benchmarking, allowing an investment to be ranked against comparable peer strategies using these same quantitative measures. All Peer Group data are provided by Confluence. Please reach out to Confluence support for detailed Peer Group definitions and methodology.

Fees: For most investment advisory clients, the program account will be charged an asset-based wrap fee every quarter ("the Fee"). In general, the Fee covers investment advisory services and reporting. In addition to the Fee, clients will pay the fees and expenses of any funds or Separately Managed Accounts in which their account is invested. Fund fees and expenses are charged directly to the pool of assets the fund invests in and impact the valuations. Clients must understand that these fees and expenses are an additional cost and will not be included in the Fee amount in the account statements. If your account is invested in mutual funds or exchange traded funds (collectively "funds"), you will pay the fees and expenses of any funds in which your account is invested. Fees and expenses are charged directly to the pool of assets the fund invests in and are reflected in each fund's share price. These fees and expenses are an additional cost to you and would not be included in the Fee amount in your account statements. The advisory program you choose is described in the applicable Morgan Stanley ADV Brochure, available at www.morganstanley.com/ADV.

Defined Contribution Participant-Directed Plans Asset Based Fee. The fees for traditional Institutional Consulting Services are negotiable and subject to a minimum fee per relationship. The maximum asset-based fee is 1.00%. Hard Dollar Fee. In addition, for plans with a minimum of $10 million in assets, the client may select to pay the fees for services 9 as a hard dollar fee based on equivalent asset-based fee parameters described above. It is possible that the hard dollar fee may exceed the maximum asset-based fees stated herein. Full Discretion Services When Graystone Consulting takes full discretion which includes discretion over manager selection, review and termination, model portfolios and comprehensive monitoring of the client's portfolio the maximum asset-based fee is 1.25%.
